*The Payson Park Music Festival has grass roots origins within the Belmont community. This annual event is intended for the enjoyment of the residents of Belmont and surrounding communities. Our goal is to present a series of free summer concerts across a musical spectrum.*

*While the concerts are produced and financed by the Payson Park Music Festival Committee, its Sponsors and Private Citizens, the series is a true public/private partnership and enjoys the cooperation and support of many members of Town departments, including: the Belmont Recreation Department, the Belmont Light Department, the Traffic Division of the Belmont Police Department, the Belmont School Department, the Belmont Department of Public Works, the Belmont Library, and the Office of the Selectmen. Many Town employees who are also residents of Belmont have willingly assisted in the production of these concerts. We wish to thank them again for another year of kind cooperation and service.*

*Payson Park Music Festival is a 501C3 Organization*
